

I have spent a week in the heart of Harghita, Fenyőkút in the summer 2013. This place is located in the Carpathian Basin, in the middle of Romania, Transylvania.

Thank you for everything you did for me in Transylvania.

What should I say about this amazing family, Gabi, Zoli, Vanda and Petra, they are the perfect host family and made my stay more than enjoyable. They went out of their way to help me and take me to the place, they showed me around all the beautiful places, various things. I got VIP treatment for sure as I went alone, so they were really helpful and amazing. :) They are very knowledgeable about Harghita and the sights in the entire Transylvania.

The accommodationarrow-10x10.png was very nice and perfect for families, couples and groups as well. It was spotlessly clean with cosy bedrooms, fully furnished kitchen. Everything was in perfect condition.

Gabi cooks very well, you will taste incredibly good Hungarian meals, furthermore the pálinka which is a Hungarian alcoholic beverage made of fruits like blueberries. Very taste, and if you go in the summer you can eat that much blueberries you want. You can try local foods, cheese, sausages. Super delicious.

If you go, definitely go and have a bath in the Baer like, which is famous because of the high salt capacity, the salt mine nearby. Paid is the natural centre of the Szekler Salt Country, one of the most important salt-mine place of Europe. Salt-bath, and many further medical cure and treatment is going on this place. You can see the Lacul Rosu the well known lake, Baile Tusnad, Borsec and all the historical cities like Miercurea Ciuc which is the destination of a traditional pilgrimage of Roman Catholic. The event of held on the Saturday before pentecost attracts several hundred thousands people every year. And hundreds other places and sights to visit. Nearby there are several nice lakes, streams. All the things are legendary beautiful there. In the winter there is also nice with lots of snow and snowmobile and whatever you want. >)

I recommend this place all who likes nature, who wants to have some relaxed time in a quiet place, or for the people who are fed up with scuttle and with the too fast noisy city life. If you like

beautiful green mountains, forests, upland air, mountain tours on foot, by jeeps, quad or horses.

Gabi and Zoli were always ready to help, it was just like having a family around. Next time I go there, I would definitely spend in their place. Thank you once again and a big God bless. :)

Gabi és Zoli csodálatos emberek. Nagyon barátságosak, kedvesek. Köszönöm szépen azt a csodás hetet, nagyszerű élmény volt! Petrus és Vanda nagyon megkedveltelek titeket, azóta nagyon jó barátok lettünk! :)

Teljes szívemből ajánlom a helyet mindenkinek, aki Erdélybe utazna, egy háborítatlan helyre, ahol aktív kikapcsolódásban lehet része. A legjobb választás! Én ide jövök vissza! Köszönöm mégegyszer! :)
